

"A Thousand Years" Christina Perri  
(from "The Twilight Saga: Breaking Dawn - Part 1" soundtrack)

Heart beats fast            Colours and promises  
How to be brave?  
How can I love when I'm afraid to fall?  
But watching you stand alone  
All of my doubt            Suddenly goes away somehow

One step closer

I have died every day waiting for you  
Darling, don't be afraid  
I have loved you for a thousand years  
I'll love you for a thousand more

Time stands still            Beauty in all she is  
I will be brave  
I will not let anything  
take away            what's standing in front of me  
Every breath            Every hour has come to this

One step closer

I have died every day waiting for you  
Darling, don't be afraid  
I have loved you for a thousand years  
I'll love you for a thousand more

And all along I believed I would find you  
Time has brought your heart to me  
I have loved you for a thousand years  
I'll love you for a thousand more

One step closer            One step closer

I have died every day waiting for you  
Darling, don't be afraid  
I have loved you for a thousand years  
I'll love you for a thousand more

And all along I believed I would find you  
Time has brought your heart to me  
I have loved you for a thousand years  
I'll love you for a thousand more
